INFORMATION CIRCULAR

May 8, 2023

INTRODUCTION

This information circular (the “**Information Circular**”) accompanies the notice of annual general meeting of shareholders (the “**Notice**”) of CopperCorp Resources Inc. (the “**Company**”) and is furnished to shareholders (each, a “**Shareholder**”) holding common shares (each, a “**Share**”) in the capital of the Company in connection with the solicitation by the management of the Company of proxies to be voted at the annual general meeting (the “**Meeting**”) of the Shareholders to be held at 11:00 a.m. (Vancouver time) on Thursday, June 15, 2023 at the offices of the Company, #203 – 55 Water Street, Vancouver, British Columbia, V6B 1A1, or at any adjournment or postponement thereof.

Date and Currency

The date of this Information Circular is May 8, 2023. Unless otherwise stated, all amounts herein are in Canadian dollars.

PROXIES AND VOTING RIGHTS

Management Solicitation

The solicitation of proxies by management of the Company will be conducted by mail and may be supplemented by telephone or other personal contact to be made without special compensation to any of the directors, officers and employees of the Company. The Company does not reimburse Shareholders, nominees or agents for costs incurred in obtaining from their principals authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers who are NOBOs (as defined below), and the Company will reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

Appointment of Proxy

Registered Shareholders are entitled to vote at the Meeting. Shareholders are entitled to one vote for each Share held on the record date of May 8, 2023 on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting.

The persons named as proxyholders in the enclosed form of proxy (the “**Designated Persons**”) are directors and/or officers of the Company.

A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON OR COMPANY (WHO NEED NOT BE A SHAREHOLDER) OTHER THAN THE DESIGNATED PERSONS NAMED IN THE ENCLOSED FORM OF PROXY TO ATTEND AND ACT FOR OR ON BEHALF OF THAT SHAREHOLDER AT THE MEETING.

A SHAREHOLDER MAY EXERCISE THIS RIGHT BY INSERTING THE NAME OF SUCH OTHER PERSON IN THE BLANK SPACE PROVIDED ON THE FORM OF PROXY. SUCH SHAREHOLDER SHOULD NOTIFY THE NOMINEE OF THE APPOINTMENT, OBTAIN THE NOMINEE'S CONSENT TO ACT AS PROXY AND SHOULD PROVIDE INSTRUCTION TO THE NOMINEE ON HOW THE SHAREHOLDER'S SHARES SHOULD BE VOTED. THE NOMINEE SHOULD BRING PERSONAL IDENTIFICATION TO THE MEETING.

The Shareholder may vote by mail, by telephone or via the Internet by following instructions provided in the form of proxy at least 48 hours (excluding Saturdays, Sundays and holidays recognized in the Province of British Columbia) prior to the scheduled time of the Meeting, or any adjournment or postponement thereof. The Chairman of the Meeting, in his sole discretion, may accept completed forms of proxy on the day of the Meeting or any adjournment or postponement thereof.

A proxy may not be valid unless it is dated and signed by the Shareholder who is giving it or by that Shareholder's attorney-in-fact duly authorized by that Shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer or attorney-in-fact for the corporation. If a form of proxy is executed by an attorney-in-fact for an individual Shareholder or joint Shareholders, or by an officer or attorney-in-fact for a corporate Shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarially certified copy thereof, must accompany the form of proxy.

Revocation of Proxies

A Shareholder who has given a proxy may revoke it at anytime before it is exercised by an instrument in writing: (a) executed by that Shareholder or by that Shareholder's attorney-in-fact, authorized in writing, or, where the Shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the corporation; and (b) delivered either: (i) to the Company at the address set forth above, at any time up to and including the last business day preceding the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (ii) to the Chairman of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (iii) in any other manner provided by law.

Also, a proxy will automatically be revoked by either: (i) attendance at the Meeting and participation in a poll (ballot) by a Shareholder, or (ii) submission of a subsequent proxy in accordance with the foregoing procedures. A revocation of a proxy does not affect any matter on which a vote has been taken prior to any such revocation.

Voting of Shares and Proxies and Exercise of Discretion by Designated Persons

A Shareholder may indicate the manner in which the Designated Persons are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space on the proxy. **The Shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and if the Shareholder specifies a choice with respect to any matter to be acted upon, the Shares will be voted accordingly.**

IF NO CHOICE IS SPECIFIED IN THE PROXY WITH RESPECT TO A MATTER TO BE ACTED UPON, THE PROXY CONFERS DISCRETIONARY AUTHORITY WITH RESPECT TO THAT MATTER UPON THE DESIGNATED PERSONS NAMED IN THE FORM OF PROXY. IT IS INTENDED THAT THE DESIGNATED PERSONS WILL VOTE THE SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED IN THE PROXY.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to other matters which may properly come before the Meeting, including any amendments or variations to any matters identified in the Notice, and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company is not aware of any such amendments, variations, or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the Shares of a Shareholder on any matter, the Shares that are the subject of the abstention or withholding will be counted for determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set out in this section is of significant importance to those Shareholders who do not hold Shares in their own name. Shareholders who do not hold their Shares in their own name (referred to in this Information Circular as “Beneficial Shareholders”) should note that only proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of Shares can be recognized and acted upon at the Meeting. If Shares are listed in an account statement provided by a broker, then in almost all cases those Shares will not be registered in the Beneficial Shareholder’s name on the records of the Company. Such Shares will more likely be registered under the names of the Beneficial Shareholder’s broker or an agent of that broker. In the United States, the vast majority of such Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depositary for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). Beneficial Shareholders should ensure that instructions respecting the voting of their Shares are communicated to the appropriate person well in advance of the Meeting.

The Company does not have access to the names of all Beneficial Shareholders. Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholders’ meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by his, her or its broker (or the agent of the broker) is similar to the form of proxy provided to registered Shareholders by the Company. However, its purpose is limited to instructing the registered Shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”) in the United States and in Canada. Broadridge typically prepares a special voting instruction form, mails this form to the Beneficial Shareholders and asks for appropriate instructions regarding the voting of Shares to be voted at the Meeting. If Beneficial Shareholders receive the voting instruction forms from Broadridge, they are requested to complete and return the voting instruction forms to Broadridge by mail or facsimile. Alternatively, Beneficial Shareholders can call a toll-free number and access Broadridge’s dedicated voting website (each as noted on the voting instruction form) to deliver their voting instructions and to vote the Shares held by them. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Shares to be represented at the Meeting. **A Beneficial Shareholder receiving a Broadridge voting instruction form cannot use that form as a proxy to vote Shares directly at the**

Meeting – the voting instruction form must be returned to Broadridge well in advance of the Meeting in order to have the applicable Shares voted at the Meeting.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Shares registered in the name of his, her or its broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered Shareholder and vote the Shares in that capacity. Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their Shares as proxyholder for the registered Shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

Alternatively, a Beneficial Shareholder may request in writing that his, her or its broker send to the Beneficial Shareholder a legal proxy which would enable the Beneficial Shareholder to attend at the Meeting and vote his, her or its Shares.

Beneficial Shareholders consist of non-objecting beneficial owners (each, a “**NOBO**”) and objecting beneficial owners (each, an “**OBO**”). A NOBO is a beneficial owner of securities that has provided instructions to an intermediary holding the securities in an account on behalf of the beneficial owner that the beneficial owner does not object, for that account, to the intermediary disclosing ownership information about the beneficial owner under National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”) of the Canadian Securities Administrators. An OBO means a beneficial owner of securities that has provided instructions to an intermediary holding the securities in an account on behalf of the beneficial owner that the beneficial owner objects, for that account, to the intermediary disclosing ownership information about the beneficial owner under NI 54-101.

The Company is sending proxy-related materials directly to NOBOs of the Shares. The Company will not pay for the delivery of proxy-related materials to OBOs of the Shares under NI 54-101 and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary*. The OBOs of the Shares will not receive the materials unless their intermediary assumes the costs of delivery.

All references to Shareholders in this Information Circular are to registered Shareholders, unless specifically stated otherwise.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Company is authorized to issue an unlimited number of Shares without par value. Each Share carries the right to one vote at the Meeting.

Only registered Shareholders as of the Record Date are entitled to receive notice of, and to attend and vote at, the Meeting or any adjournment or postponement of the Meeting.

To the knowledge of the directors and executive officers of the Company, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, Shares carrying more than 10% of the voting rights attached to the outstanding Shares, other than as set forth below:

NUMBER OF DIRECTORS

At the Meeting, Shareholders will be asked to pass an ordinary resolution to set the number of directors of the Company at three (3). An ordinary resolution needs to be passed by a simple majority of the votes cast by the Shareholders present in person or represented by proxy and entitled to vote at the Meeting.

Management of the Company recommends the approval of setting the number of directors of the Company at three (3).

ELECTION OF DIRECTORS

At present, the directors of the Company are elected at each annual general meeting and hold office until the next annual general meeting, or until their successors are duly elected or appointed in accordance with the Company's Articles or until such director's earlier death, resignation or removal. In the absence of instructions to the contrary, the enclosed form of proxy will be voted for the nominees listed in the form of proxy, all of whom are presently members of the Board.

The Company's Articles contain an advance notice provision (the "**Advance Notice Provision**") of the nomination of directors in certain circumstances. To be timely, the advance notice by the nominating Shareholder (the "**Nominating Shareholder**") must be made:

Stock Option Plans and Other Incentive Plan

The Board adopted an Equity Incentive Plan on May 31, 2022 which was approved by shareholders July 4, 2022. The Equity Incentive Plan is a rolling plan for Options and a fixed plan for Performance-Based Awards such that the aggregate number of Shares that: (i) may be issued upon the exercise or settlement of Options granted under the Equity Incentive Plan (and all of the Company's other Security-Based Compensation Arrangements), shall not exceed 10% of the Company's issued and outstanding Shares from time to time, such number being 66,225,365 as at May 8, 2023 and (ii) may be issued in respect of Performance-Based Awards granted under the Equity Incentive Plan (and all of the Company's other Security-Based Compensation Arrangements) shall not exceed 13,025,073. The Equity Incentive Plan is considered an "evergreen" plan, since Options which have been exercised, cancelled, terminated, surrendered, forfeited or expired without being exercised shall be available for subsequent grants under the Equity Incentive Plan and the number of awards available to grant increases as the number of issued and outstanding Shares increases.

The purpose of the Equity Incentive Plan is to: (i) attract and retain directors, officers, employees and consultants and to motivate them to advance the interests of the Company by affording them with the opportunity to acquire an equity interest in the Company through securities granted under the Equity Incentive Plan and (ii) recognize contributions made by eligible persons and to create an incentive for their continuing assistance to the Company and its affiliates. The Equity Incentive Plan is administered by the Board, which has full and final authority with respect to the granting of all securities thereunder.

For details of the Equity Incentive Plan, see "Particulars of Matters to be Acted Upon – Approval of the Equity Incentive Plan" below.

Orientation and Continuing Education

When new directors are appointed, they receive orientation, commensurate with their previous experience, on the Company's properties, business, technology and industry and on the responsibilities of directors.

Board meetings may also include presentations by the Company's management and employees to give the directors additional insight into the Company's business.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest are sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend for election at the annual meeting of Shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of views and experience.

The Company's nominating and corporate governance committee (the "NCG Committee") has responsibility for identifying potential Board candidates. There is no set process for identifying new candidates, but a pool of candidates may be generated using the existing network of the Company Board members, a search firm, or any other method that the Board may choose. Two of the three members of the NCG Committee are independent.

Compensation

The Board acting through its Compensation Committee determines compensation for the directors and compensation paid to the Chief Executive Officer. The procedures for this determination are described under Statement of Executive Compensation above.

Other Board Committees

The Board has the following committees: Audit Committee, described above, the Compensation Committee, the Nominating and Corporate Governance Committee, the Technical Committee and the Disclosure Committee.

The Board regularly monitors the adequacy and effectiveness of information given to directors, communications between the Board and management, and the strategic direction and processes of the Board and its committees.

PARTICULARS OF MATTERS TO BE ACTED UPON

Approval of the Equity Incentive Plan

The only stock option plan or other incentive plan the Company currently has in place is an Equity Incentive Plan. The Equity Incentive Plan is a rolling plan for Options and a fixed plan for Performance-Based Awards such that the aggregate number of Shares that: (i) may be issued upon the exercise or settlement of Options granted under the Equity Incentive Plan (and all of the Company's other Security-Based Compensation Arrangements), shall not exceed 10% of the Company's issued and outstanding Shares from time to time, such number being 66,225,365 as at May 8, 2023 and (ii) may be issued in respect of Performance-Based Awards granted under the Equity Incentive Plan (and all of the Company's other Security-Based Compensation Arrangements) shall not exceed 13,025,073. The Equity Incentive Plan is considered an "evergreen" plan, since Options which have been exercised, cancelled, terminated, surrendered, forfeited or expired without being exercised shall be available for subsequent grants under the Equity Incentive Plan and the number of awards available to grant increases as the number of issued and outstanding Shares increases.

At the Meeting, Shareholders will be asked to consider and, if thought advisable, pass an ordinary resolution ratifying, approving and confirming the Equity Incentive Plan in the form set out as Schedule “B” hereto.

The following information is intended as a brief description of the Equity Incentive Plan and is qualified in its entirety by the full text of the Equity Incentive Plan.

Purpose

The purpose of the Equity Incentive Plan is to promote the long-term success of the Company and the creation of shareholder value by: (i) encouraging the attraction and retention of eligible persons; (ii) encouraging such eligible persons to focus on critical long-term objectives; and (iii) promoting greater alignment of the interests of such eligible persons with the interests of the Company.

The Equity Incentive Plan provides flexibility to the Company to grant equity-based incentive awards in the form of stock options (“**Options**”), restricted share units (“**RSUs**”), performance share units (“**PSUs**”) and deferred share units (“**DSUs**” and, collectively with the RSUs and PSUs, the “**Performance-Based Awards**”) to eligible persons.

Shares Subject to the Equity Incentive Plan

The Equity Incentive Plan is a rolling plan for Options and a fixed plan for Performance-Based Awards such that the aggregate number of Shares that: (i) may be issued upon the exercise or settlement of Options granted under the Equity Incentive Plan (and all of the Company’s other Security-Based Compensation Arrangements), shall not exceed 10% of the Company’s issued and outstanding Shares from time to time, such number being 66,225,365 as at May 8, 2023 and (ii) may be issued in respect of Performance-Based Awards granted under the Equity Incentive Plan (and all of the Company’s other Security-Based Compensation Arrangements) shall not exceed 13,025,073. The Equity Incentive Plan is considered an “evergreen” plan, since Options which have been exercised, cancelled, terminated, surrendered, forfeited or expired without being exercised shall be available for subsequent grants under the Equity Incentive Plan and the number of awards available to grant increases as the number of issued and outstanding Shares increases.

Participation Limits

The Equity Incentive Plan provides that:

- (a) unless the Company has obtained disinterested shareholder approval, the maximum aggregate number of Shares issuable to insiders under the Equity Incentive Plan, within any 12 month period, together with Shares reserved for issuance to insiders under all of the Company’s other Security-Based Compensation Arrangements (as defined in the Equity Incentive Plan), shall not exceed 10% of the issued and outstanding Shares (calculated as at the date of any grant and in accordance with the policies of the Exchange (the “**Exchange Policies**”));
- (b) unless the Company has obtained disinterested shareholder approval, the maximum aggregate number of Shares issuable to insiders under the Equity Incentive Plan, at any point in time, together with Shares reserved for issuance to insiders under all of the Company’s other Security-Based Compensation Arrangements, shall not exceed 10% of the issued and outstanding Shares;
- (c) unless the Company has obtained disinterested shareholder approval, the maximum aggregate number of Shares issuable to any participant (as defined in the Equity Incentive Plan) under the Equity Incentive Plan, within any 12 month period, together with Shares reserved for issuance to such participant (and to Companies wholly-owned by that participant) under all of the

Company's other Security-Based Compensation Arrangements, shall not exceed 5% of the issued and outstanding Shares (calculated as at the date of any grant);

- (d) the maximum aggregate number of Shares issuable to any one consultant (as defined in the Equity Incentive Plan) under the Equity Incentive Plan, within any 12 month period, together with Shares issuable to such consultant under all of the Company's other Security-Based Compensation Arrangements, shall not exceed 2% of the issued and outstanding Shares (calculated as at the date of any grant); and
- (e) the maximum aggregate number of Shares issuable pursuant to grants of Options to all investor relation service providers performing investor relations activities under the Equity Incentive Plan, within any 12 month period, shall not in aggregate exceed 2% of the issued and outstanding Shares (calculated as at the date of any grant). For the avoidance of doubt, persons performing investor relations activities are only eligible to receive Options under the Equity Incentive Plan; they are not eligible to receive any Performance-Based Award or other type of securities based compensation under the Equity Incentive Plan.

Administration of the Equity Incentive Plan

The Equity Incentive Plan shall be administered by the Board and the Board has full authority to administer the Equity Incentive Plan, including the authority to interpret and construe any provision of the Equity Incentive Plan and to adopt, amend and rescind such rules and regulations for administering the Equity Incentive Plan as the Board may deem necessary in order to comply with the requirements of the Equity Incentive Plan.

Eligible Persons under the Equity Incentive Plan

When used in connection with the grant of Options, all officers, directors, employees, management company employees and consultants of the Company are eligible to participate in the Equity Incentive Plan. When used in connection with the grant of Performance-Based Awards, all officers, directors, employees, management company employees and consultants of the Company that do not perform investor relations activities are eligible to participate in the Equity Incentive Plan. The extent to which any such individual is entitled to receive a grant of an award pursuant to the Equity Incentive Plan will be determined in the sole and absolute discretion of the Board. Each person who receives a grant under the Equity Incentive Plan is referred to as a "Participant".

Types of Awards

Awards of Options, RSUs, PSUs and DSUs may be made under the Equity Incentive Plan. All of the awards described below are subject to the conditions, limitations, restrictions, exercise price, vesting, settlement and forfeiture provisions determined by the Board, in its sole discretion, subject to such limitations provided in the Equity Incentive Plan, and will generally be evidenced by an award agreement.

Options

An Option entitles a holder thereof to purchase a prescribed number of Shares at an exercise price determined by the Board at the time of the grant of the Option, provided that the exercise price of an Option granted under the Equity Incentive Plan shall not be less than the Discounted Market Price (as defined in the Exchange Policies), provided that if an Option is proposed to be granted by the Company after the Company has just been recalled for trading following a suspension or halt, the Company must wait at least ten trading days since the day on which trading in the Company's securities resumes before setting the exercise price for and granting the Option. Each Option shall, unless sooner terminated, expire

on a date to be determined by the Board which will not exceed ten (10) years from the date of grant of the Option. The Board may, in its absolute discretion, upon granting Options under the Equity Incentive Plan, specify different time periods following the dates of granting the Options during which the Participant may exercise their Options to purchase Shares and may designate different exercise prices and numbers of Shares in respect of which each Participant may exercise Options during each respective time period. Subject to the discretion of the Board, the Options granted to a Participant under the Equity Incentive Plan shall vest as determined by the Board on the date of grant of such Options. If the Board does not specify a vesting schedule at the date of grant, then Options granted to persons, other than those conducting investor relations activities, shall vest fully on the date of grant, and in any event in accordance with the policies of the Exchange. Options issued to persons conducting investor relations activities must vest (and shall not otherwise be exercisable) in stages over a minimum of 12 months such that:

- (a) no more than 1/4 of the Options vest no sooner than three months after the date of grant (the “Grant Date”);
- (b) no more than another 1/4 of the Options vest no sooner than six months after the Grant Date;
- (c) no more than another 1/4 of the Options vest no sooner than nine months after the Grant Date; and
- (d) the remainder of the Options vest no sooner than 12 months after the Grant Date.

If the award agreement for the grant of Options so provides, in the event of a change of control (as defined in the Equity Incentive Plan), all Options granted to a Participant that ceases to be an Eligible Person shall become fully vested and shall become exercisable by the Participant in accordance with the terms of such award agreement and the Equity Incentive Plan. No acceleration of the vesting of any Options shall be permitted without prior Exchange review and acceptance for Options issued to persons conducting investor relations activities.

Other than as may be set forth in the award agreement for the grant of Options, upon the death of a Participant, any Options granted to such Participant which, prior to the Participant’s death, have not vested, will immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect; and the Participant or his or her estate, as the case may be, shall have no right, title or interest therein whatsoever. Any Options granted to such Participant which, prior to the Participant’s death, had vested pursuant to the terms of the applicable Award Agreement will accrue to the Participant’s estate in accordance with Equity Incentive Plan and may be exercised by the Participant’s estate within one year of the death of the Participant.

Where a Participant’s relationship with the Company is terminated by the Company or a subsidiary for cause, all Options granted to the Participant under the Equity Incentive Plan will immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date.

Where a Participant’s relationship with the Company terminates by reason of termination by the Company or a subsidiary without cause, by voluntary termination, voluntary resignation or due to retirement by the Participant, such that the Participant no longer qualifies as an eligible person, all Options granted to the Participant under the Equity Incentive Plan that have not vested will, unless the applicable award agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date; provided, however, that any Options granted to such Participant which, prior to the Participant’s termination without cause, voluntary termination, voluntary resignation or Retirement, had vested pursuant to the terms of the applicable award agreement will accrue to the Participant in

accordance with the Equity Incentive Plan and shall be exercisable by such Participant for a period of 90 days following the date the Participant ceased to be an eligible person, or such longer period as may be provided for in the award agreement or as may be determined by the Board provided such period does not exceed 12 months after the termination date.

Where a Participant becomes afflicted by a disability, all Options granted to the Participant under the Equity Incentive Plan will continue to vest in accordance with the terms of such Options; provided, however, that no Options may be redeemed during a leave of absence. Where a Participant's relationship is terminated due to disability such that the Participant ceases to be an eligible person, all Options granted to the Participant under this Plan that have not vested will, unless the applicable award agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date; provided, however, that any Options granted to such Participant which, prior to the termination of the Participant's relationship with the Company due to disability, had vested pursuant to terms of the applicable award agreement, will accrue to the Participant in accordance with the Equity Incentive Plan and shall be exercisable by such Participant for a period of 90 days following the date the termination date, or such longer period as may be provided for in the award agreement or as may be determined by the Board.

Restricted Share Units

A RSU is a right awarded to a Participant, as compensation for employment or consulting services or services as a director or officer, to receive for no additional cash consideration, securities of the Company upon specified vesting criteria being satisfied, and subject to the terms and conditions of the Equity Incentive Plan and the applicable award agreement, and which may be paid in cash and/or Shares. The number of RSUs to be credited to each participant shall be determined by the Board in its sole discretion in accordance with the Equity Incentive Plan. All RSUs will vest and become payable by the issuance of Shares at the end of the restriction period if all applicable restrictions have lapsed, as such restrictions may be specified in the award agreement.

RSUs shall be subject to such restrictions as the Board, in its sole discretion, may establish in the applicable award agreement, which restrictions may lapse separately or in combination at such time or times and on such terms, conditions and satisfaction of objectives as the Board may, in its discretion, determine at the time a RSU is granted. The Board shall determine any vesting terms applicable to the grant of RSUs, however, no RSUs may vest before the date that is one (1) year following the date of the award.

If the award agreement so provides, in the event of a change of control (as defined in the Equity Incentive Plan) and the Participant ceases to be an Eligible Person, all restrictions upon any RSUs held by such Participant shall lapse immediately and all such RSUs shall become fully vested in such Participant in accordance with the Equity Incentive Plan.

Other than as may be set forth in the applicable award agreement, upon the death of a Participant, any RSUs granted to such Participant which, prior to the Participant's death, have not vested, will be immediately and automatically forfeited and cancelled without further action and without any cost or payment, and the Participant or his or her estate, as the case may be, shall have no right, title or interest therein whatsoever. Any RSUs granted to such Participant which, prior to the Participant's death, had vested pursuant to the terms of the applicable award agreement will accrue to the Participant's estate in accordance with the Equity Incentive Plan.

Where a Participant's relationship with the Company is terminated by the Company or a subsidiary for cause, all RSUs granted to the Participant under this Plan will immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date.

Where a Participant's relationship with the Company terminates by reason of termination by the Company or a subsidiary without cause, by voluntary termination, voluntary resignation or due to retirement by the Participant, all RSUs granted to the Participant under the Equity Incentive Plan that have not vested will, unless the applicable award agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date and the Participant shall have no right, title or interest therein whatsoever; provided, however, that any RSUs granted to such Participant which, prior to the Participant's termination without cause, voluntary termination, voluntary resignation or retirement, had vested pursuant to the terms of the applicable award agreement will accrue to the Participant in accordance with the Equity Incentive Plan.

Where a Participant becomes afflicted by a disability, all RSUs granted to the Participant under the Equity Incentive Plan will continue to vest in accordance with the terms of such RSUs; provided, however, that no RSUs may be redeemed during a leave of absence. Where a Participant's relationship is terminated due to disability such that the Participant ceases to be an eligible person, all RSUs granted to the Participant under the Equity Incentive Plan that have not vested will, unless the applicable award agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date and the Participant shall have no right, title or interest therein whatsoever; provided, however, that any RSUs granted to such Participant which, prior to the Participant's termination due to disability, had vested pursuant to terms of the applicable award agreement will accrue to the Participant in accordance with the Equity Incentive Plan.

As soon as practicable after each vesting date of a RSU, the Company shall, at the sole discretion of the Board, either: (a) issue to the Participant from treasury the number of Shares equal to the number of RSUs that have vested; or (b) make a cash payment in an amount equal to the Market Unit Price (as defined in the Equity Incentive Plan) on the next trading day after the vesting date of the RSUs, net of applicable withholdings.

Performance Share Units

A PSU is a right awarded to a Participant, as compensation for employment or consulting services or services as a director or officer, to receive, for no additional cash consideration, securities of the Company upon specified performance and vesting criteria being satisfied, subject to the terms and conditions of the Equity Incentive Plan and the applicable award agreement, and which may be paid in cash and/or Shares. No PSUs may vest before the date that is one year following the date of the Award.

Subject to the provisions of the Equity Incentive Plan and such other terms and conditions as the Board may prescribe, the Board may, from time to time, grant awards of PSUs to eligible persons that do not perform investor relations activities. The number of PSUs to be awarded to any Participant shall be determined by the Board, in its sole discretion, in accordance with the Equity Incentive Plan. Each PSU shall, contingent upon the attainment of the performance criteria within the performance cycle, represent one Share.

The Board will select, settle and determine the performance criteria (including without limitation the attainment thereof), for purposes of the vesting of the PSUs, in its sole discretion. An award agreement may provide the Board with the right to revise the performance criteria and the award amounts if unforeseen events (including, without limitation, changes in capitalization, an equity restructuring, an acquisition or a divestiture) occur which have a substantial effect on the financial results and which in the sole judgment of the Board make the application of the performance criteria unfair unless a revision is made.

All PSUs will vest and become payable to the extent that the performance criteria set forth in the award agreement are satisfied in the performance cycle, the determination of which satisfaction shall be made by the Board on the determination date. No PSU may vest before the date that is one year following the date of the award.

If the award agreement so provides, in the event of a change of control (as defined in the Equity Incentive Plan) and the Participant ceases to be an Eligible Person, all PSUs granted to such Participant shall become fully vested in such Participant (without regard to the attainment of any performance criteria) and shall become payable to the Participant in accordance with the Equity Incentive Plan.

Other than as may be set forth in the applicable award agreement and below, upon the death of a Participant, all PSUs granted to the Participant which, prior to the Participant's death, have not vested, will immediately and automatically be forfeited and cancelled without further action and without any cost or payment, and the Participant or his or her estate, as the case may be, shall have no right, title or interest therein whatsoever; provided, however, the Board may determine, in its sole discretion, the number of the Participant's PSUs that will vest based on the extent to which the applicable performance criteria have been satisfied in that portion of the performance cycle that has lapsed.

Where a Participant's relationship with the Company is terminated by the Company or a subsidiary for cause, all PSUs granted to the Participant under the Equity Incentive Plan will immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date.

Where a Participant's relationship with the Company terminates by reason of termination by the Company or a subsidiary without cause, by voluntary termination, voluntary resignation or due to retirement by the Participant, all PSUs granted to the Participant which have not vested will, unless the award agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date, and the Participant shall have no right, title or interest therein whatsoever; provided, however, the Board may determine, in its sole discretion, the number of the Participant's PSUs that will vest based on the extent to which the applicable performance have been satisfied in that portion of the performance cycle that has lapsed.

Where a Participant becomes afflicted by a disability, all PSUs granted to the Participant under the Equity Incentive Plan will continue to vest in accordance with the terms of such PSUs; provided, however, that no PSUs may be redeemed during a leave of absence. Where a Participant's relationship is terminated due to disability such that the Participant ceases to be an eligible person, all PSUs granted to the Participant under the Equity Incentive Plan that have not vested will, unless the applicable award agreement provides otherwise and subject to the provisions below, immediately terminate without payment, be forfeited and cancelled and shall be of no further force or effect as of the termination date, and the Participant shall have no right, title or interest therein whatsoever; provided, however, that the Board may determine, in its sole discretion, the number of the Participant's PSUs that will vest based on the extent to which the applicable performance criteria have been satisfied in that portion of the performance cycle that has lapsed.

Payment to Participants in respect of vested PSUs shall be made after the determination date for the applicable award and in any case within ninety-five (95) days after the last day of the performance cycle to which such award relates. The Company shall, at the sole discretion of the Board, either: (a) issue to the Participant the number of Shares equal to the number of PSUs that have vested on the Determination Date; or (b) make a cash payment in an amount equal to the Market Unit Price (as defined in the Equity Incentive Plan) on the next trading day after the determination date of the PSUs that have vested, net of applicable withholdings.

Deferred Share Units

A DSU is a right granted to a Participant, as compensation for employment or consulting services or services as a director or officer, to receive, for no additional cash consideration, securities of the Company on a deferred basis upon specified vesting criteria being satisfied, subject to the terms and conditions of the Equity Incentive Plan and the applicable award agreement, and which may be paid in cash and/or Shares. DSUs may not be granted to any Participant performing investor relation activities.

Subject to the provisions of the Equity Incentive Plan and such other terms and conditions as the Board may prescribe, the Board may, from time to time, grant awards of DSUs to directors in lieu of fees (including annual Board retainers, chair fees, meeting attendance fees or any other fees payable to a director) or to other eligible persons as compensation for employment or consulting services. The number of DSUs to be credited to each Participant shall be determined by the Board in its sole discretion in accordance with the Equity Incentive Plan. The number of DSUs shall be specified in the applicable award agreement. Each director may elect to receive any or all of his or her fees in DSUs under this Plan.

The number of DSUs shall be calculated by dividing the amount of Fees selected by a director by the Market Unit Price (as defined in the Equity Incentive Plan) on the grant date (or such other price as required under the Exchange Policies) which shall be the 10th business day following each financial quarter end. Any fractional DSU shall be rounded down and no payment or other adjustment will be made with respect to the fractional DSU.

No Deferred Share Units may vest before the date that is one year following the date of the award of the DSU.

Each participant shall be entitled to receive, after the effective date that the Participant ceases to be an eligible person for any reason, on a day designated by the Participant and communicated to the Company by the Participant in writing at least fifteen (15) days prior to the designated day (or such earlier date after the participant ceases to be an eligible person as the participant and the Company may agree, which date shall be no later than one year after the date upon which the participant ceases to be an eligible person) and if no such notice is given, then on the first anniversary of the effective date that the Participant ceases to be an eligible person, at the sole discretion of the Board, either: (a) that number of Shares equal to the number of vested DSUs credited to the participant's account, such Shares to be issued from treasury of the Company; or (b) a cash payment in an amount equal to the Market Unit Price on the next trading day after the Participant ceases to be an eligible person of the vested DSUs, net of applicable withholdings.

In the event that the value of a DSU would be determined with reference to a period commencing at a fiscal quarter-end of the Company and ending prior to the public disclosure of interim financial statements for the quarter (or annual financial statements in the case of the fourth quarter), the cash payment of the value of the DSUs will be made to the Participant with reference to the five (5) trading days immediately following the public disclosure of the interim financial statements for that quarter (or annual financial statements in the case of the fourth quarter).

Upon death of a Participant holding DSUs that have vested, the Participant's estate shall be entitled to receive, within 120 days after the Participant's death and at the sole discretion of the Board, a cash payment or Shares that would have otherwise been payable in accordance with the Equity Incentive Plan to the Participant upon such Participant ceasing to be an eligible person.

Elections by Directors regarding the amount of their Fees that they wish to receive in Deferred Share Units shall be made no later than 90 days after this Plan is adopted by the Board, and thereafter no later than December 31 of any given year with respect to Fees for the following year. Any Director who becomes a Director during a calendar year and wishes to receive an amount of his or her Fees for the remainder of that year in Deferred Share Units must make his or her election within 60 days of becoming a Director.

- (c) Calculation of Deferred Share Units Granted in Lieu of Fees - The number of Deferred Share Units to be credited to a Participant's Account where the Participant is a Director who has elected to receive Deferred Share Units in lieu of Fees shall be calculated by dividing the amount of Fees selected by a Director in the applicable Election Form by the Market Unit Price on the Grant Date (or such other price as required under Exchange policies) which shall be the 10th business day following each financial quarter end. If, as a result of the foregoing calculation, a Participant that is a Director shall become entitled to a fractional Deferred Share Unit, the Participant shall only be credited with a full number of Deferred Share Units (rounded down) and no payment or other adjustment will be made with respect to the fractional Deferred Share Unit.
- (d) Vesting - No Deferred Share Units may vest before the date that is one year following the date of the Award.
- (e) Payment of Award - Each Participant shall be entitled to receive, after the effective date that the Participant ceases to be an Eligible Person for any reason, on a day designated by the Participant and communicated to the Company by the Participant in writing at least 15 days prior to the designated day (or such earlier date after the Participant ceases to be an Eligible Person as the Participant and the Company may agree, which date shall be no later than one year after the date upon which the Participant ceases to be an Eligible Person) and if no such notice is given, then on the first anniversary of the effective date that the Participant ceases to be an Eligible Person, at the sole discretion of the Board, either:
 - (i) that number of Shares equal to the number of vested Deferred Share Units credited to the Participant's Account, such Shares to be issued from treasury of the Company (provided that such issuance will not result in the number specified in Section 4.1(b) being exceeded); or
 - (ii) a cash payment in an amount equal to the Market Unit Price on the next Trading Day after the Participant ceases to be an Eligible Person of the vested Deferred Share Units credited to a Participant's Account, net of applicable withholdings.
- (f) Exception - In the event that the value of a Deferred Share Unit would be determined with reference to a period commencing at a fiscal quarter-end of the Company and ending prior to the public disclosure of interim financial statements for the quarter (or annual financial statements in the case of the fourth quarter), the cash payment of the value of the Deferred Share Units will be made to the Participant with reference to the five (5) Trading Days immediately following the public disclosure of the interim financial statements for that quarter (or annual financial statements in the case of the fourth quarter).
- (g) Death - Upon death of a Participant holding Deferred Share Units that have vested, the Participant's estate shall be entitled to receive, within 120 days after the Participant's death and at the sole discretion of the Board, a cash payment or Shares that would have otherwise been payable in accordance with Section 5.4(e) hereof to the Participant upon such Participant ceasing to be an Eligible Person.

5.5 General Terms Applicable to Awards

- (a) Forfeiture Events - The Board will specify in an Award Agreement at the time of the Award that the Participant's rights, payments and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture or recoupment upon the occurrence of certain specified events, in addition to any otherwise applicable vesting or performance conditions of an Award. Such events shall include, but shall not be limited to, termination of a relationship for cause, violation of material Company policies, fraud, breach of non-competition, confidentiality or other restrictive covenants that may apply to the Participant or other conduct by the Participant that is detrimental to the business or reputation of the Company.
- (b) Awards May be Granted Separately or Together - Awards may, in the discretion of the Board, be granted either alone or in addition to, in tandem with, or in substitution for any other Award or any award granted under any other Security-Based Compensation Arrangement of the Company. Awards granted in addition to or in tandem with other Awards, or in addition to or in tandem with awards granted under any other Security-Based Compensation Arrangement of the Company, may be granted either at the same time as or at a different time from the grant of such other Awards or awards.
- (c) Non-Transferability of Awards - No Award and no right under any such Award shall be assignable, alienable, saleable, or transferable by a Participant otherwise than by will or by the laws of descent and distribution and only then if permitted by the Policies of the Exchange. No Award and no right under any such Award, may be pledged, alienated, attached, or otherwise encumbered, and any purported pledge, alienation, attachment, or encumbrance thereof shall be void and unenforceable against the Company.
- (d) Conditions and Restrictions Upon Securities Subject to Awards - The Board may provide that the Shares issued under an Award shall be subject to such further agreements, restrictions, conditions or limitations as the Board in its sole discretion may specify, including without limitation, conditions on vesting or transferability and forfeiture or repurchase provisions or provisions on payment of taxes arising in connection with an Award. Without limiting the foregoing, such restrictions may address the timing and manner of any resales by the Participant or other subsequent transfers by the Participant of any Shares issued under an Award, including without limitation:
 - (i) restrictions under an insider trading policy or pursuant to applicable law;
 - (ii) restrictions designed to delay and/or coordinate the timing and manner of sales by Participant and holders of other Security-Based Compensation Arrangements; and
 - (iii) restrictions as to the use of a specified brokerage firm for such resales or other transfers.
- (e) Blackout Periods - In the event that the date provided for expiration, redemption or settlement of an Award falls within a Blackout Period imposed by the Company

pursuant to a trading policy as the result of the bona fide existence of undisclosed Material Information, the expiry date, redemption date or settlement date, as applicable, of the Award shall automatically be extended to the date that is ten (10) business days following the date of expiry of the Blackout Period. Notwithstanding the foregoing, there will be no extension of any Award if the Company (or the Participant) is subject to a cease trade order (or similar order under applicable law).

- (f) Share Certificates - All Shares delivered under this Plan pursuant to any Award shall be subject to such stop transfer orders and other restrictions as the Board may deem advisable under this Plan or the rules, regulations, and other requirements of any securities commission, the Exchange, and any applicable securities legislation, regulations, rules, policies or orders, and the Board may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.
- (g) Conformity to Plan - In the event that an Award is granted which does not conform in all particulars with the provisions of this Plan, or purports to grant an Award on terms different from those set out in this Plan, the Award shall not be in any way void or invalidated, but the Award shall be adjusted to become, in all respects, in conformity with this Plan.
- (h) Deductions - Whenever cash is to be paid in respect of Deferred Share Units, Restricted Share Units or Performance Share Units, the Company shall have the right to deduct from all cash payments made to a Participant any taxes required by law to be withheld with respect to such payments. Whenever Shares are to be delivered in respect of Deferred Share Units, Restricted Share Units or Performance Share Units, the Company shall have the right to deduct from any other amounts payable to the Participant any taxes required by law to be withheld with respect to such delivery of Shares, or if any payment due to the Participant is not sufficient to satisfy the withholding obligation, to require the Participant to remit to the Company in cash an amount sufficient to satisfy any taxes required by law to be withheld. At the sole discretion of the Board, a Participant may be permitted to satisfy the foregoing requirement by, all in accordance with the Policies of the Exchange, delivering (on a form prescribed by the Company) an irrevocable direction to a securities broker approved by the Company to sell all or a portion of the Shares and deliver to the Company from the sales proceeds an amount sufficient to pay the required withholding taxes.
- (i) Evergreen Plan - Shares that were the subject of any Award made under this Plan that has been settled in cash, or that has been cancelled, terminated, surrendered, forfeited or has expired without being exercised, and pursuant to which no securities have been issued, may continue to be issuable under this Plan.

5.6 General Terms Applicable to Performance-Based Awards

- (a) Performance Evaluation; Adjustment of Goals - At the time that a Performance-Based Award is first issued, the Board, in the Award Agreement or in another written document, shall specify whether performance will be evaluated including or excluding the effect of any of the following events that occur during the Performance Cycle or Restriction Period, as the case may be:

- (i) judgments entered or settlements reached in litigation;
 - (ii) the write-down of assets;
 - (iii) the impact of any reorganization or restructuring;
 - (iv) the impact of changes in tax laws, accounting principles, regulatory actions or other laws affecting reported results;

- (b) Adjustment of Performance-Based Awards - The Board shall have the sole discretion to adjust the determinations of the degree of attainment of the pre-established Performance Criteria or restrictions, as the case may be, as may be set out in the applicable Award Agreement governing the relevant Performance-Based Award. Notwithstanding any provision herein to the contrary, the Board may not make any adjustment or take any other action with respect to any Performance-Based Award that will increase the amount payable under any such Award. The Board shall retain the sole discretion to adjust Performance-Based Awards downward or to otherwise reduce the amount payable with respect to any Performance-Based Award.

SECTION 6

AMENDMENT AND TERMINATION

6.1 Amendments and Termination of this Plan

The Board may at any time or from time to time, in its sole and absolute discretion and without the approval of shareholders of the Company, amend, suspend, terminate or discontinue this Plan and may amend the terms and conditions of any Awards granted hereunder, subject to:

- (iv) amendments respecting administration and eligibility for participation under this Plan;
- (v) amendments to the terms and conditions on which Awards may be or have been granted pursuant to this Plan including amendments to the vesting provisions and terms of any Awards;
- (vi) with the exception of Options granted to Persons performing Investor Relations Activities, amendments which alter, extend or accelerate the terms of vesting applicable to any Awards; and
- (vii) changes to the termination provisions of an Award or this Plan which do not entail an extension beyond the original fixed term.

If this Plan is terminated, prior Awards shall remain outstanding and in effect in accordance with their applicable terms and conditions.

6.2 Amendments to Awards

The Board may waive any conditions or rights under, amend any terms of, or amend, alter, suspend, discontinue, or terminate, any Awards theretofore granted, prospectively or retroactively. No such amendment or alteration shall be made which would impair the rights of any Participant, without such Participant’s consent, under any Award theretofore granted, provided that no such consent shall be required with respect to any amendment or alteration if the Board determines in its sole discretion that such amendment or alteration either:

- (a) is required or advisable in order for the Company, this Plan or the Award to satisfy or conform to any law or regulation or to meet the requirements of Policy of the Exchange or any accounting standard; or
- (b) is not reasonably likely to significantly diminish the benefits provided under such Award.

SECTION 7 GENERAL PROVISIONS

7.1 No Rights to Awards

No Person shall have any claim to be granted any Award under this Plan, or, having been selected to receive an Award under this Plan, to be selected to receive a future Award. There is no obligation for uniformity of treatment of Eligible Persons or Participants or

beneficiaries of Awards under this Plan. The terms and conditions of Awards need not be the same with respect to each Participant. The Company and each Eligible Person qualifying for an Award are and shall be responsible for ensuring and confirming that each recipient of an Award is a bona fide Eligible Person that qualifies to receive the applicable Award.

7.2 Withholding

The Company shall be authorized to withhold any payment due under any Award or under this Plan until the Participant has paid or made arrangements for the payment of the amount of any withholding taxes due in respect of an Award, its exercise, or any payment under such Award or under this Plan.

7.3 No Limit on Other Security-Based Compensation Arrangements

Subject to the limits set forth in Section 4.1 of this Plan, nothing contained in this Plan shall prevent the Company or a Subsidiary from adopting or continuing in effect other Security-Based Compensation Arrangements, and such arrangements may be either generally applicable or applicable only in specific cases.

7.4 No Right to Employment

The grant of an Award shall neither constitute an employment contract nor be construed as giving a Participant the right to be retained in the employ of the Company, or to any other relationship with the Company. Further, the Company may at any time dismiss a Participant, free from any liability, or any claim under this Plan, unless otherwise expressly provided in this Plan or in an applicable Award Agreement.

7.5 No Right as Shareholder

Neither the Participant nor any representatives of a Participant's estate shall have any rights whatsoever as shareholders in respect of any Shares covered by such Participant's Options, RSUs, PSUs and/or DSUs until the date of issuance of a share certificate to such Participant or representatives of a Participant's estate for such Shares.

7.6 Governing Law

This Plan and all of the rights and obligations arising hereunder shall be interpreted and applied in accordance with the laws of the Province of British Columbia and the federal laws of Canada applicable therein.

7.7 Severability

If any provision of this Plan or any Award is or becomes or is deemed to be invalid, illegal, or unenforceable in any jurisdiction, or as to any Person or Award, or would disqualify this Plan or any Award under any law deemed applicable by the Board, such provision shall be construed or deemed amended to conform to applicable laws, or if it cannot be so construed or deemed amended without, in the determination of the Board, materially altering the intent of this Plan or the Award, such provision shall be stricken as to such jurisdiction, Person or Award, and the remainder of this Plan and any such Award shall remain in full force and effect.

7.8 No Trust or Fund Created

Neither this Plan nor any Award shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Company and a Participant or any other Person. To the extent that any Person acquires a right to receive payments from the Company pursuant to an Award, such right shall be no greater than the right of any unsecured creditor of the Company.

7.9 No Fractional Shares

No fractional Shares shall be issued or delivered pursuant to this Plan or any Award, and the Board shall determine whether cash, or other securities shall be paid or transferred in lieu of any fractional Shares, or whether such fractional Shares or any rights thereto shall be cancelled, terminated, or otherwise eliminated.

7.10 Headings

Headings are given to the Sections and subsections of this Plan solely as a convenience to facilitate reference. Such headings shall not be deemed in any way material or relevant to the construction or interpretation of this Plan or any provision thereof.

7.11 No Representation or Warranty

The Company makes no representation or warranty as to the value of any Award granted pursuant to this Plan or as to the future value of any Shares issued pursuant to any Award.

7.12 No Representations or Covenant with Respect to Tax Qualification

Although the Company may, in its discretion, endeavor to (i) qualify an Award for favourable Canadian tax treatment or (ii) avoid adverse tax treatment, the Company makes no representation to that effect and expressly disavows any covenant to maintain favorable or avoid unfavorable tax treatment. The Company shall be unconstrained in its corporate activities without regard to the potential negative tax impact on holders of Awards under this Plan.

7.13 Conflict with Award Agreement

In the event of any inconsistency or conflict between the Policies of the Exchange, this Plan and an Award Agreement, the Policies of the Exchange shall govern for all purposes. In the event of any inconsistency or conflict between the provisions of this Plan and an Award Agreement, the provisions of this Plan shall govern for all purposes.

7.14 Compliance with Laws

The granting of Awards and the issuance of Shares under this Plan shall be subject to all applicable laws, rules, and regulations, as well as the Policies of the Exchange as in effect from time-to-time, and to such approvals by any governmental agencies or stock exchanges on which the Company is listed as may be required. The Company shall have no obligation to issue or deliver evidence of title for Shares issued under this Plan prior to:

- (a) obtaining any approvals from governmental agencies that the Company determines are necessary or advisable; and
- (b) completion of any registration or other qualification of the Shares under any applicable national or foreign law or ruling of any governmental body that the Company determines to be necessary or advisable or at a time when any such registration or qualification is not current, has been suspended or otherwise has ceased to be effective.

The inability or impracticability of the Company to obtain or maintain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

This Plan shall become effective upon the date (the "**Effective Date**") of approval by the Board.
